The Society of Chemical Industry (SCI) is a learned society, set up in 1881 to 'further the application of chemistry and related sciences for the public benefit'.

My aspirations for SCI are:

- * To recruit and retain members
- * To support members' careers through appropriate CPD training opportunities
- * To contribute to the public understanding of science
- * To ensure financial stability of SCI, with the needs of members paramount

There are three options for voting this year:
