

## SCI Mentoring Programme

Develop & share skills, boost personal and professional development, make new connections – join SCI's Mentoring Programme today!

SCI is committed to facilitating knowledge exchange, networking and learning through a range of products and services. Members' careers are supported through training, development, and employment opportunities.

The SCI Mentoring Programme is designed to match early career members with a mentor who will help them to address specific goals or issues in their professional development.

### Benefits of Mentoring

- ▶ Develop skills and experience
- ▶ Increase opportunities for your personal and professional development
- ▶ Open the door to new connections and expand your network

### Mentor Benefits

- ▶ Share your knowledge
- ▶ Leave a lasting impact on your mentee
- ▶ Create a legacy

### Mentee Benefits

- ▶ Achieve greater goals
- ▶ Get help with decision making challenges
- ▶ Gain confidence

### The SCI Programme

- ▶ Training is provided to all participants to ensure maximum effectiveness
- ▶ Partnerships will run for 12 months with onward extension by agreement
- ▶ SCI will provide support throughout the partnership
- ▶ Travel expenses will be provided in accordance with SCI policy
- ▶ Free use of SCI rooms for mentoring meetings (subject to availability)
