☐ I confirm that my application is correct to the best of my knowledge and will agree to provide further details if requested as part of the judging process.

☐ I agree that it is my responsibility to seek any approval/permissions to submit this application from my company.

☐ I agree that, if shortlisted, the information contained within this form may be used to promote my participation in this awards scheme.

About SCI®'s Awards Dinner

The SCI® Awards Dinner offers an opportunity to bring together leading talent across the scientific industry to:

- Celebrate innovation and leadership, showcasing the achievements of SCI®'s industrial network
- Establish leading awards demonstrating industrial excellence in innovation and sustainability
- Highlight positive contributions from industry to society

The winners of SCI® awards for Sustainability, Innovation Enabled by Partnership (both est. 2023), Leadership in Inclusion in Science-Led Industry (est. 2024) and SME Emerging Technology (est. 2026) will be announced at the prestigious SCI® Awards Dinner at the Palace of Westminster on 19 May 2027.

In addition, achievements and awards associated with other SCI® areas of activity will also be celebrated.

Questions about SCI® or the SME Emerging Technology Award should be sent to awards@soci.org
