

2022 SCI YOUNG LIPID SCIENTIST AWARD

Organised by Lipids Group Committee

This award is to recognise excellence and emerging talent in research related to lipids, in any field across the physical and life sciences and engineering. Example areas include, but are not restricted to: neuroscience, digestion and metabolism, crystallisation of tri- acylglycerols, lipid oxidation, functioning of phospholipid membranes, compositional analysis, processing and disease prevention.

Shortlisted candidates will be notified by email on **27 May 2022** and will be asked to make a 15 minute oral presentation of their research at the SCI Young Lipid Scientist Award event on Wednesday **15 June 2022**. This year's event is planned to be in-person at SCI HQ at 15/16 Belgrave Square, London. All those invited to give oral presentations will be refunded reasonable travel expenses (2nd class off-peak return rail fare), and also receive one year's complimentary membership of SCI.

DESCRIPTION OF AWARD

- **£100 prize money** and a certificate
- One year's complimentary **membership of SCI** (worth £25)
- Expenses up to the value of **£400** to enable them to present their winning work at an international conference (during 2022 or 2023).
