

SCIENCE WEEK

#scienceweek

7-14 Nov 2021

Supported by Science Foundation Ireland

17th ANNUAL SCIENCE WEEK TABLE QUIZ

The Annual Science Week Table Quiz, organised by
SCI's All Ireland Group, returns for its 17th year.

Science, technology, engineering and maths all play a crucial role in all of our lives and are vital for Ireland's economic prosperity.

The focus of Science Week 2021 will be on a national conversation between the general public, the research community, and policymakers. This conversation will highlight the potential of existing scientific discoveries but, crucially, it will ask what challenges are most important to the Irish public and how science might help.

We encourage all to get involved and come along to the Table Quiz for a fun and engaging evening to celebrate all things science!

17:00-18:30

11 November 2021

Book online to enter!
